**School Drive**

Conditions:

- A. All vendor areas are 12 x 12 feet, no tents provided, tent stakes/guys must stay within area.
- B. Limited electricity will be provided in 2017; bring a 50' extension cord with at least #14 wire. A maximum of 1000 watts or 8 amperes may be used.
- C. All vendors agree to be open Thursday and Friday from 3 p.m. until dark (8 p.m.) and Saturday from 10 a.m. to 4 p.m.
- D. Any licensing is the responsibility of the vendor--food vendors must be licensed and **have prior approval** (we avoid direct competition with other vendors).
- E. All materials must be removed no later than 7 p.m. Saturday.
- F. Vendors may set up tents on Thursday starting at 9 a.m.
- G. Vendor location is immediately outside the entrance of the North East High School Gymnasium; the Fair itself is held in the gym. The Fair attracts approximately 3,500 visitors yearly.
- H. Overnight security will be provided by local police; however we suggest that valuable items be removed from tents and stored elsewhere - some space for products can be provided in the school.
- I. Vendors must indicate what items will be sold. Additional sale items to be added after set-up will be approved on a case-by-case basis. Hand-made and unique, quality items are desirable.
- J. The Fair Association will attempt to minimize direct competition, i.e. we will accept no more than two vendors selling similar items.
