

STCPA CLUB RULES

The deadline for renewing members is March 31. If you chose to wait to pay at the first show there will be a late fee of \$15 applied. You must have your membership paid prior to competing.

1) All sanctions will now have to be **pre-entered**. Team entries must be received on/before the Monday preceding the show. This is due to the inflated cost of cattle. Hosting organizations cannot afford to pay for cattle they do not use. Email entries to Shirley Smith at 2ndgohorsetack@sasktel.net or fax to 306-937-3872.

2) Entry fees for sanctioned shows will be as follows: \$40 for adults (\$120 per team) and \$30 for youth per entry. This will remain the same for the finals.

3) We are offering a Limited 8 class within the Open class at each sanction penning for an additional \$30 per team.

4) Every penner **must** enter the Draw Class at least once at all sanctions and at the finals.

5) The annual meeting will be held after Nationals at a date and location to be announced. Members will be required to submit items for the Agenda by email prior to the meeting to Bev Jones at b.a.jones@sasktel.net.

6) Members will accumulate points at each Sanction and the finals for making it to the second go (including the draw). There will be individual points awarded as well as team points for the entire season. There will be buckles for high point teams in each numbered class. There will be an overall individual high point saddle again this year as well as High point #1, #2, #3, and #4 & 5 (combined).

7) The \$200 sponsorship levy is still applicable. It only applies to members who are planning to attend the Provincial Finals in July. You need to send a separate post-dated check with your membership fees. The STCPA will hold this check until the finals. You can redeem the check back by getting a sponsorship totaling this amount or more. Please contact Shirley 306-937-2733 with any questions.

YOU CANNOT PEN AT THE FINALS UNLESS THIS LEVY HAS BEEN PAID BY ONE OF THE ABOVE TWO OPTIONS. You must have penned at a minimum of 3 sanctioned shows to qualify to attend the finals in Saskatoon.

8) Finals will be in Saskatoon at the Prairieland Ag Center.

Yours truly,
