August 2018

---

---

The purpose of this organization is to: stimulate interest in carving as a hobby or a profession and as an art form. Our goal is to provide instruction in carving and to aid others in the practice of carving.

---

---

The next carving session and regular meeting will be on August 26, 2018 at The Quianbaug Fire House 50 Old Stonington Rd. Stonington, CT. The Fire House will be open at **9:45 AM** for anyone working on his or her project or wishing to carve along with the Project leader (see schedule). The club's show and tell table is set up each month so bring in your carvings to share with others.

**Check out our Web Site. @ [www.mysticcarvers.com](http://www.mysticcarvers.com)**

Thanks to Project Leader Chuck Larkin for teaching an Eagles head project. Some folks left with it all done and sealed. Thanks Chuck for your lesson and for working with two new carvers. Landon and Bob, welcome to Mystic Carvers Club.

The project leader for August will be Dennis Tormey carving a Quilted Christmas stocking. Start thinking Christmas Ornaments and gifts for those Grandkids.

The July meeting, which was held at Fort Shantock, with about 25 folks attending, we voted and passed the vote to donate \$500 to the Quimbaug Fire Station again this year. We are very fortunate that we have the fire house to hold our monthly meetings.

We also discussed purchasing new 8' plastic tables to start replacing the old wooden ones that we now use at our meetings. The wood ones are all falling apart and are really too heavy to carry. We will be discussing more about this at the September meeting. (Carol will not be at the August meeting due to family visiting from Florida).

The club would like to thank Hilaire so much for bringing his Grill and tables to the picnic and for cooking. Great job! The burgers and dogs were perfect.

Thanks to Carol and Arlene for buying all the picnic supplies. Good Job. And, of course thanks to all who brought food and made the picnic such a huge success. Everything was delicious.

## **Woodcraft Open House**

For any new Mystic members, this is an open house at the “Woodcraft Store” in Manchester on Spencer St. Our club usually sets up a table to promote the art of Woodcarving. Let Carol know if you want to attend. We bring our tools and our club table is set up and we just sit and chat and carve. It is a fun day. Last year they supplied a lunch of hamburgers and soda.

This will be their eighteenth open house.

This year they have a few new demonstrators coming and one or two new antique tool dealers.

They will have the antique tools and a few of the demonstrators outside and the school gallery, Lie Nielsen hand tools, Woodturning and any other demonstrators who want to will be inside.

The event starts around 9 am and goes to about 3pm. You can set up anytime that morning- They will start setting up around 7:30am.

The key is to have a good time, make some new friends and to do something fun for the day. Hope you can make it.

We need to let Bob know if we are going to participate this year. We will discuss it at the July and August meetings.
