ICC

International Connections Collaborative (ICC), facilitates professional and personal interactions for international educational programs. ICC is dedicated to enhancing world-wide communications through international exchanges and promoting the United States to the world as a focal point of business and culture.

Educational Program

ICC's reputable programs welcome students aged 12+ to study various courses in a friendly, safe, and fun environment. Our teaching staff is carefully selected so that students can enjoy dynamic and thought-provoking lessons. With a rich program of memorable activities planned and supervised by ICC staff, students make friends quickly, and have a great time outside of class too!

Professional Program

The ICC professional programs are for entrepreneurs from fields spanning countries across the globe. By visiting the United States, current and emerging foreign leaders and professionals experience U.S. culture firsthand, cultivating lasting relationships with their American counterparts. Visitors will have direct interactions with leaders of local companies and organizations, sharing ideas, breaking cultural stereotypes, and gaining a lasting impact for a lifetime.

Investing Program

ICC provides services to investors around the world. We are your trusted partner that will seamlessly guide you through the complex world of international investment. Investing abroad is a big decision, and it's important that you have all the information you need before starting your investing journey with us.
