## **CHICK DAYS ARE HERE AGAIN!**

Please see the attached calendar for a schedule of what laying hens, ducks and bantams come on what day.

There is a minimum purchase of 6 chicks per customer.

If you would like to get a few other birds on a different shipment after purchased 6 **this year** from us, just bring in your receipt (from this year) as your proof of purchase and you can certainly grab a few different varieties from another ship date (**the receipt is absolutely required**).

All chicks are a **first come first serve** and we only order female laying hens from our hatchery.

The hatchery is 90% accurate.

Our chick shipments usually arrive the morning of the due date, however sometimes extenuating circumstances occur.

Ducks, bantams, meat birds, turkeys, guinea hens are all straight run.
