Waterline Flushing

The Town of Preeceville will be flushing water lines again this May. The tentative start date will be May 10th, 2021. Please watch the community sign and the newspaper for more details.

Dog Walking

The weather will soon be warming up and more people will be walking their dogs again. Please remember to pick up after your pets when going out for a walk to help keep our community clean. Failing to do so is a violation of Bylaw #1-2009 and can result in fines.

Handicap Parking

The Town of Preeceville has received numerous complaints about people parking in the designated handicap parking spaces around town, parking in these spaces require a special parking permit or you can be fined.

Sewer Reminder

Please be advised that sewer router rates have increased to \$60.00 plus p.s.t weekdays and \$90.00 plus p.s.t weekends and afterhours. We would also like to remind everyone that baby wipes, gloves, masks, personal hygiene products and shop towels cause blockages in the Town's sewer lines. These items should not be flushed down the toilet. Please exercise caution with what you discharge into the Town's sewer system.

Snow Removal and Parking

The Town of Preeceville would like to remind you to avoid shovelling or pushing your snow on to the streets, back alleys and sidewalks, failure to follow this bylaw could result in charges being invoiced for removal. Piling snow on these areas causes extra work for the snow removal crew which delays other streets from getting cleared. Snow piles also become packed and freeze, which may cause snow removal equipment damage. Also, please be reminded that, vehicles are not to be parked on the street for more than a 24-hour period and vehicles are not to be parked so that they are obstructing a sidewalk, as this can also obstruct and reduce snow removal. The public's cooperation regarding snow removal and parking is greatly appreciated.
