April 17th, 2020

Dear Camp 7 Families,

First and foremost, we hope that our campers and their families are staying safe and healthy.

The COVID-19 pandemic has been an unprecedented challenge for families and businesses. With our campers' safety and wellness being our top priority, we must share with you a difficult decision that has been made in order to protect us all.

Camp leadership staff have decided to suspend Camp 7 operations. This means we will not be accepting registrations or payments at this time. Office staffing hours have been reduced; however, we will be available by phone and email for questions and concerns. We are carefully monitoring the situation and hope that we might be able to offer alternative programming later in the summer. Making this decision early in the season will allow us to prepare more readily for the ever-changing recreational services and activities that have been impacted.

We are keeping our fingers crossed that the situation turns around soon and we can continue providing quality programming for our campers. Do not hesitate to reach out with any questions or concerns. Your continued support is appreciated, and we look forward to being together once again.

Sincerely,

Kelsey Sprys
