

# **Injury Prevention Zoom**

**Friday, February 19, at 6 p.m.**

**With Dr. Utsav Hanspal**

---

**Dr. Hanspal is a fellowship-trained Sports Medicine Physician who is an expert in diagnosing and treating all musculoskeletal complaints. His patients range from active individuals including industrial and recreational athletes to college and elite athletes. He manages muscle, tendon and joint injuries including overuse injuries in all joints. He is core faculty for sports medicine for the family medicine & podiatry residency program at Ascension Lourdes. In addition, he serves as the team physician for the Binghamton Devils.**
