President's Message

As this year comes to an end and holidays are right around the corner, I would like to wish everyone a wonderful holiday.

Thank you for your patience and understanding as I continue to learn and grow in this position. We as a board are happy to serve the best Men's Club in California.

Let's remember to pay it forward and bring gifts to the 4 club tournament on December 11th. Thank you in advance and have a great Thanksgiving...

Best Regards,
Gil Vicario, President

Local Rules

We are no longer lifting and placing the ball in the bunkers – it's back to normal – play it as it lies. Of course, this means it is even more important to rake the bunker when you leave it.

We are still playing preferred lies. **Within the general area, you may lift, clean, and place the ball once, within one club-length, no nearer the hole.** We will return to playing the ball as it lies (down) as soon as we feel conditions allow.

Please note that “general area” is not the distance within which you can place the ball. This is the new term for what we used to call “through the green”. The general area is officially defined as:

The *area of the course* that covers all of the *course* **except** for the other four defined areas: (1) the *teeing area* the player must play from in starting the hole he or she is playing, (2) all *penalty areas*, (3) all *bunkers*, and (4) the *putting green* of the hole the player is playing.

Tournament News

We had 102 players tee it up for our October low net tournament. We paid out \$3,883 to 48 of the players.

We had 3 cancellations for health reasons, and 4 no shows, which caused several issues. We began the day with equally balanced flights, but ended up with 2 flights of 27 players, and 2 flights of 24 players, which required uneven payouts. This also created several twosomes and threesomes, which meant a lot of waiting for those players, and wasted tee times that the course could have sold. Thanks to the one person who called the day before to let us know they could not play! If your name is on the tee sheet and you cannot play, **please let us know as early as possible**, so that we can try to adjust flights and tee times.

We got the new cards for the closest markers, and had no confusion on recording names in the correct flight, so hopefully that problem is solved!

We need to thank our two newest board members, Gary Abbott and Gil Vicario, for helping out on the computer in skins and tournaments. Both have stepped up and are learning to use our tournament management program (GolfGenius). This will be a big help to us going forward.

December brings us one of our most popular tournaments of the year. We don't know if it's the challenge of only carrying 4 clubs, or the short course we play from the red tees, or the thought of bragging to our friends back East that we are playing golf in December; but it always brings a great turnout.

December is also the time for the Chino Rotary Gift Basket program. Every year we collect donations at tournament check in to support this great program, which delivers food and gifts to at least 20 local families. This year we will be collecting both cash and toys. With the inflation of food prices this year, cash donations are really appreciated.

Signups for a guaranteed spot in the tournament close December 4, or December 7 if we have room. Signup by emailing Doug at

dbenc@ap.org. We will publish the roster of signed up players on the Wednesday before the tournament, and release pairings by Friday.

Tournament dates and formats for 2022 have been set. We are still finalizing a few details about how we will handle pairing requests, and minimum qualifications for entering the club championship. We will wrap the details up at the next board meeting, and publish the full calendar before the December tournament
