

# City of Sunbury

## 2019 Leaf Collection Guidelines and Schedule

### Guidelines

Due to the fact it varies year to year when the leaves fall, The Department of Public Works will alert the city residents via social media, print and radio when leaf pickup will begin and end.

Please use the following guidelines (failure to do so will result in your leaves **NOT** being collected):

- Leaves will **NOT** be picked up if they are in plastic garbage bags.
- Leaves must be piled loosely in a windrow curbside, or in an unlined trash can or similar container.
- Leaf piles **MUST** be free of limbs, sticks, shrubbery, brush, garbage, rocks, concrete, metal, pet waste, or anything other than leaves.
  - a. These foreign items will not pass through the leaf machine and/or get stuck in the vacuum tube and damage the leaf machine. Putting any of these foreign items in with your leaves creates a dangerous, time-consuming and costly problem.
- Place leaves curbside front (preferred) or rear of residence no later than 7 AM on the pickup day.
- Make every effort to not impede drainage such as covering inlet grates with leaves.
- Do not park vehicles atop a leaf piles.

We accept leaves at the brush pile located behind Beiters @ 1125 North 4<sup>th</sup> Street by appointment.

Please call 570-286-5761 to schedule a drop off.
