

## Hangtown Creek Plant Species List for The City of Placerville

Adopted by: Community Pride and the Hangtown Creek Stewardship Committee 11/95

| Botanical Name                          | Common Name          | Botanical Name                    | Common Name           |
|---|----------------------|-----------------------------------|-----------------------|
| <b>A. Top of Bank</b>                   |                      | <b>C. Lower Bank</b>              |                       |
| <b>Woody Plants</b>                     |                      | <b>Woody Plants</b>               |                       |
| <i>Quercus wislizenii</i>               | Interior Live Oak    | <i>Alnus rhombifolia</i>          | White Alder           |
| <i>Quercus kelloggii</i>                | Black Oak            | <i>Populus fremontii</i>          | Fremont's Cottonwood  |
| <i>Arbutus menziesii</i>                | Madrone              | <i>Fraxinus dipetala</i>          | California Ash        |
| <i>Pseudotsuga menziesii</i>            | Douglas Fir          | <i>Acer negundo</i>               | Box Elder             |
| <i>Ceanothus</i> sp.                    | Ceanothus            | Willows <i>Salix</i> sp.          | Willow shrub and tree |
| <i>Umbellularia californica</i>         | California Bay       | <i>Sambucus mexicana</i>          | Blue Elderberry       |
| <i>Aesculus californica</i>             | Buckeye              | <i>Symphoricarpos albus</i>       | Snowberry             |
| <i>Styrax officinalis</i>               | Snowdrop bush        | <i>Rosa californica</i>           | California Rose       |
| <i>Cercis occidentalis</i>              | Western Redbud       | <i>Nitis californica</i>          | California Grape      |
| <i>Heteromeles arbutifolia</i>          | Toyon                | <i>Acer macrophyllum</i>          | Big leaf maple        |
| <b>Grasses and Wildflowers</b>          |                      | <b>Herbaceous Species</b>         |                       |
| <i>Nasella cernua</i>                   | Nodding Needlegrass  | <i>Muhlenbergia rigens</i>        | Deergrass             |
| <i>Elymus glaucus</i>                   | Blue Wildrye         | <i>Elymus triticoides</i>         | Creeping Wildrye      |
| <i>Melica californica</i>               | California Melic     | <i>Festuca rubens</i>             | Red Fescue            |
| <i>Calochortus</i> sp.                  | Mariposa Lily        | <i>Deschampsia cespitosa</i>      | Calif. Hairgrass      |
| <i>Brodiea</i> sp., <i>Tritelia</i> sp. | Brodiea (s)          | <i>Danthonia californica</i>      | Calif. Oatgrass       |
| <i>Diclostemma</i> sp.                  | Calif. Diclostemma   | <i>Carex feta</i>                 | Green-seath Sedge     |
| <i>Escholtzia californica</i>           | California Poppy     | <i>Carex barbarae</i>             | Santa Barbara Sedge   |
| <i>Lupinus</i> sp.                      | Lupine               | <i>Carex pachystacha</i>          | Thick-head Sedge      |
| <b>B. Mid-bank</b>                      |                      | <i>Carex pregracilis</i>          | Clustered Field Sedge |
| <b>Woody Plants</b>                     |                      | <i>Carex senta</i>                | Rough Sedge           |
| <i>Quercus lobata</i>                   | Valley Oak           | <i>Juncus, balicus, xiphoides</i> | Rushes                |
| <i>Acer macrophyllum</i>                | Big-leaf Maple       | <i>Woodwardia fimbriata</i>       | Chain Fern            |
| <i>Cornus nuttallii</i>                 | Pacific Dogwood      | <i>Adiantum filis-femina</i>      | Lady Fern             |
| <i>Rosa californica</i>                 | California Rose      | <b>D. Channel Bottom</b>          |                       |
| <i>Vitis californica</i>                | California Grape     | <b>Woody Plants</b>               |                       |
| <i>Symphoricarpos albus</i>             | Snowberry            | <i>Rosa californica</i>           | California Rose       |
| <i>Calycanthus occidentalis</i>         | Spicebush            | <i>Salix</i> sp.                  | Willow                |
| <i>Sambucus mexicanus</i>               | Blue Elderberry      | <i>Alnus rhombifolia</i>          | Alder                 |
| <i>Aristolochia californica</i>         | Pipevine             | <b>Herbaceous Species</b>         |                       |
| <b>Grasses and Wildflowers</b>          |                      | <i>Carex</i> and <i>Juncus</i>    | Rush and Sedge        |
| <i>Hordeum brachyanthrum</i>            | Meadow Barley        | <i>Darmera peltata</i>            | Indian Rhubarb        |
| <i>Melica californica</i>               | California Melic     | <i>Equisetum arvense</i>          | Scouring Rush         |
| <i>Deschampsia cespitosa</i>            | California Hairgrass | <i>Equisetum arvense</i>          | Horsetail             |
| <i>Danthonia californica</i>            | California Oatgrass  | <i>Eleocharis acicularis</i>      | Least Spikerush       |
| <i>Elymus triticoides</i>               | Creeping Wildrye     | <i>Leersia oryzoides</i>          | Rice Cut-grass        |
| <i>Carex feta</i>                       | Green-sheath Sedge   | <i>Paspalum distichum</i>         | Joint Paspalum        |

### Streamside Revegetation - Plant List

Planting location for shrubs and trees reflect adaptability of vegetation to specific ecological zones, moisture regimes, and flood magnitudes and frequencies, resilience to disturbance, and shading of water and other water quality benefits.

All planting within the creek approved by Fish and Game.
