WESTCHESTER COUNTY, N.Y. -- How many restaurants did you try in 2015? Daily Voice asked Westchester food blogger Kate Schlientz of [IntoxiKate.com](#) to recap her selects for the best new spots from the past year, as well as what's on the menu for 2016.

**Modern Comes to Mamaroneck:** Sebastian Aliberti and Anthony Russo of Modern (New Rochelle) moved their culinary creativity north, adding [Modern on The Rails](#) to their restaurant roster. Located in the Mamaroneck train station, the duo pairs the beautiful Romanesque, old-world charm of the station with traditional southern Italian dishes. **IntoxiKate Recommends:** The chipotle calamari. **Go:** 1 Station Plaza, Mamaroneck, (914) 777-9300, [www.modernontherails.com/](http://www.modernontherails.com/).
