

UPCOMING DVQ Workshops

Workshop fees are indicated in the workshop description. The individual workshop fees are determined by the cost of the instructor, cost of having them here, any special equipment requirements, and how many students are necessary to make the workshop happen. We want to be able to bring in the best instructors at the lowest cost possible for our members.

You can sign up at the monthly meetings or send checks made out to "DVQ" to **Joey Connolly, 25205 Palomares Road, Castro Valley, CA 94552**. Please include the workshop title, your name, phone number and email address along with your check. A separate check for each workshop is appreciated. Your payment will hold your place in the workshop and is due when you sign up.

Cancellation Policy: A full refund will be given for cancellations 30 days prior to the workshop, or if your place can be filled from the waiting list. If it is less than 30 days before the workshop and your place cannot be filled, you must find your own replacement or forfeit the registration fee.

Unless otherwise noted, all workshops are held at The Outreach Studio: **12919 Alcosta Blvd. #1, San Ramon, CA**. Arriving early to set up your workspace prior to start time is appreciated by all.

Members may sign up for any workshop as soon as it is posted on the workshop calendar. Non-DVQ members are welcome to take workshops when space is available.

Melinda Bula, "Coneflower", Class Cost \$65

Melinda will be teaching us how to use fabric and thread as an artist uses paint and pencil to create a beautiful flower quilt. We have chosen to do the coneflower which will be broken into simple shapes and colors to make the image come to life. There is a \$12 pattern fee, payable in class. A color chart is provided to work from, but you may make your flower in any colors of your choosing. No sewing machine will be needed for the class.

November 16, 2017 Thursday 10:00 am - 4:00 pm

Christine Barnes, "Urban Sunset", Class Cost \$65

Learn about color, value, and pattern, plus Christine's technique for making super-skinny strips in this modern-quilt workshop. Three related (but not matching) fabrics make up each center unit. Narrow black-and-white strips inserted asymmetrically between the "segments" define and separate the fabrics. You'll also learn how to cut and add the ombré borders to make it appear as if light is sweeping across the surface. (The gray ombré will be available in class.) Pattern cost is \$8.
