

## Dolls and the Arts

### 2019 Minnesota Doll Jamboree Display Registration Form

The Minnesota Jamboree council would like to thank you in advance for bringing your dolls and related items for this year's art inspired display. We would like to include dolls that are depicted as dancers, singers, artists, artwork that includes dolls in any medium, dolls created in the image of the works by master painters such as Renoir, Vermeer, Degas, dolls that portray famous painters and authors, celebrity dolls from the theater, movies or television and doll sized musical instruments. Think about this, why would they even make doll sized musical instruments if dolls weren't musically inclined? Did you know that Raggedy Ann has her own songbook and Tiny Tears has a record? Just think of

all the artistic endeavors that Barbie has participated in over the years. With your creative contributions we will assemble a museum quality display. If you have any questions about what items to bring please contact:
