### HOT OFF THE PRESS

2014 flowed excellently into 2015 which began with a bang! After a seasonal stretch in South America, we're excited to share about the progress amongst the Indian Tribes.

With Grant from NZ in Colombia

Presently here now in April until May 2015, we're on tour in Limpopo and Mpumalanga, sharing about reaching the unreached Indian Tribes in the Amazon jungle and supporting reached communities.

**You're welcome to invite us to share at any venue in your community or any other gathering you can think of!** We do this with music, video, photo projection, props from the Amazon and testimonies of "Saved from the claws of death." (See contact details below.)

The pictures in this newsletter give you a good idea about what is happening. For the fuller picture, you won't want to miss our never-before-seen video footage and photographs! (For regular blog updates (SEE DETAILS AT END OF NEWSLETTER))

# AN ARMY FOR JAVEH SHUA {JESUS}

## WHO WILL GO FOR US? [JAVEH SHUA = GOD SAVES]

Isaiah loved God deeply. He sought to satisfy God's heart. So he responded with unconditional surrender when he heard the voice of the Lord who asked: "Whom, and who will go for Us?" Then he said, "Here am !! Send me." (Isaiah 6:8)

**Coral Snake**

You and I are so privileged to respond to God's call today! Whether you choose to be His witness where you live and work or to travel further afield, there is much that we can do to enroll in this war as co-fighters together with JESUS CHRIST against satan.

**Fried Guinea Pig**

During our time of sharing together, we will explore how our prayers make all the difference in reaching the lost and how to reach out to unsaved people around us in practical ways. Living by faith is far more practical and possible than most people realise; so we'll talk about that too.

**With Gail & Heidi @ TWRadio**

And for those who wish to have a practical experience in reaching out, we'll show you how to make it happen – both as a short outreach or for those who wish to go full-time.

**Palmtree Fruit**

During my recent season in the Amazon, I had the privilege of sharing my experience of how to live as a missionary with a New Zealander whom I met during my visit to that country last year. Now he is travelling in the Amazon on his own following God's lead establishing new relations with far-off tribes.

**Demonstrating arching**

If we all do our bit we'll get the job done for JESUS!
