Club Meetings

Sept 12, 1:00 pm, Room LE10 at FUMC Garland. It's the first meeting of the fall, so that means it's time for our annual welcome back pizza party. There will be a member's only postcard sale as well. The club will provide the pizza. Members need to bring salads, desserts, etc. to go with it. Note the earlier start time and different room location because we are having food.

Oct. 3, 2:00 pm, room 103-105 at FUMC Garland. We are meeting a week early in October due to the big postcard show the following weekend. Speaker TBA.

Fall Postcard Show – No show boards are needed for the fall show Oct. 9 & 10. All of the dealer spaces are sold out, so there is no space for boards. We will need boards for the spring show next March. Start planning yours now!

Terry Christensen on the Mend – Terry had to have some surgery several weeks ago to correct a heart valve problem. He is at home now and recovering, but is still having problems. He has a periodic fluttering issue with his heart that may require some further treatment. He also needs to gain some weight and get his strength back. Keep him in your thoughts and prayers.

Harold and Elaine Boots have officially moved west. They sold their house near SMU last month and now live full time in Albuquerque, New Mexico. We wish them all the best in their new home and hopefully will still see them occasionally.

The State Fair of Texas opens Sept. 25 and runs through Oct. 18. There are always lots of neat things to see in the Creative Arts Building including postcards. The fair is the fried food capital of Texas and maybe the world. Anyone for Holy Moly Carrot Cake Roly, or how about Chicken Fried Lobster with Champagne gravy? You can wash them down with a Smoky Bacon Margarita. For a list of the delectable fried foods available at the fair, go to <http://bigtex.com/food/choiceawards/>. Don't forget about Fletcher's Corny Dogs! A State Fair tradition for over 70 years! By the way, Big Tex says "Howdy!"
