

The Woods
A Luxury Canine Resort and Spa
Release Form

I understand that, despite The Woods Canine Resort's (The Woods) efforts to maintain the safety of every dog and human at The Woods facility, there are certain risks involved in boarding/doggie day care. These risks include but are not limited to my dog getting injured during an altercation with another dog and my dog contracting fleas, kennel cough or some other communicable illness. I voluntarily accept these risks, and release The Woods and its employees, independent contractors, owners and assigns from any and all claims arising out of injury or damage in any way related to or resulting from my association with The Woods, including but not limited to claims of injuries to my dog, myself or anyone I send to pick up or drop off my dog, or to any property that belongs to me. I understand and agree that dogs are unpredictable animals, and that if my dog becomes injured while at The Woods I will be responsible for my dog's veterinary bills and any other costs incurred due to the injury. I agree that The Woods may bill me for any such veterinary costs.

I further understand that, though The Woods will attempt in an emergency to contact my dog's personal veterinarian as well as myself, such an emergency might not provide the time to do so prior to the administration of care. I therefore hereby allow The Woods to attain medical attention for my dog from any qualified veterinarian and to transport my dog to and from that veterinarian when The Woods Canine deems such medical care important for my dog's health. I grant The Woods or its employees or agents full power of decision involving the medical treatment of my dog, for such purpose. This release applies to any claims for injuries or damages related to such medical care or transport.

I understand and agree that if my dog damages property belonging to The Woods that I shall be responsible for paying for that damage. I further understand and agree that if my dog attacks and injures another dog (an altercation between dogs is one-sided and my dog is at fault), I will be responsible for paying for any damage caused to that dog.

I represent that my dog is currently in good health and has not had any communicable illness of any kind for one week prior to attending The Woods. I further represent that each time I bring my dog to The Woods, I am re-certifying that my dog is in good health and has not had any communicable illness of any kind for one week prior to such attendance.

I represent that my dog is currently protected by a flea care preventative and that my dog will be protected by a preventative throughout each day and every time my dog attends The Woods A Luxury Canine Resort.

I represent that my dog does not have a history of aggressive behavior towards other dogs or humans.

I warrant that I am at least eighteen (18) years of age and that I have the full, complete and unrestricted right and authority to enter into this release.
