Winter Vacation Care 2021 Transportation & Excursion Information

Further information

Method & Means of Transport: Transportation used on excursions are the Creative Kids buses and/or approved private hire buses which are all equipped with seat belts that are to be worn at all times. I understand that if required under Queensland legislation, my child will be required to be seated in an approved booster seat, as supplied by Creative Kids OSHC

Anticipated Ratio of Educators Children: As per the transportation risk assessment, and additional individual excursion risk assessments, the anticipated ratio of educators to children whilst travelling on a bus is 1 educator to 10 school-aged children.

Anticipated Number of staff members and any other adults who will accompany and supervise the children: The number of accompanying adults complies with and is in accordance with the Education and Care National Regulation, but at a minimum is 2 educators per bus.

Transportation Route: We always endeavour to take the most direct route, taking into consideration traffic hazards and obstructions. Please refer to individual risk assessments available at the centre and the table below for further details.
