## **OUR PURPOSE**

The purpose of Temple Day School is to provide an educational atmosphere where your child is surrounded with love and encouragement so that he/she may develop into the person God has intended.

We are dedicated to meeting the spiritual, social, intellectual, emotional and physical needs of each child that attends our school.

## **CIRRICULUM**

We offer a developmentally age-appropriate program that each teacher designs to fit the needs of her class from Hubbard Cupboard. Activities are planned to stimulate learning and discovery in all developmental areas. Our classrooms are set up in learning centers where children select from several different hands-on activities. Books, puzzles, blocks, art expression, and outdoor play are a part of each day. Our 3 and 4 year old programs emphasize pre-reading skills with a phonics rich reading readiness program, as well as hands-on math curriculum.

Each day your child is at school, he/she will be exposed to God's Word. The children will be read Bible stories, taught Bible verses, and learn how to conduct themselves in a manner that is pleasing to God.

## **CALENDAR**

Temple Day School follows the calendars of Port Neches-Groves ISD and the United Methodist Temple. Our program runs from September through May.

## **ARE OUR TEACHERS QUALIFIED?**

**YES!** Our pre-school class has a minimum of one teacher with a degree or certification in the field of Education and all of our teachers and aides have experience working with young children. They continue their training by attending state approved workshops throughout each year.
