Good Afternoon!

This memorandum will NOTIFY ALL OF THE ABOVE AND AFFECTED VETERANS, VETERAN SERVICE MEMBERS, VETERAN SERVICE ORGANIZATIONS, ALL INVITED GUESTS, AND COMMUNITIES, that due to the ongoing directives issued regarding the concern about the growing spread of coronavirus (COVID-19) and the potential elevated risk for all avenues of our population (including our military veterans and veteran caregivers) we will follow Federal and State guidelines and directives and **POSTPONE our March 27th 4th Annual Vietnam Era Veterans Recognition Day celebration and ceremony.** We are EXTREMELY DISAPPOINTED, BUT KNOW THE CORRECT DECISION HAS BEEN MADE.

There was much thought put into this decision, as these recognitions of our Vietnam Era Veterans have only recently taken its rightful place throughout our military history. Nothing less than this current PANDEMIC and our need to be (as military service men/women have always been) team players would have caused postponement. However, we must take this most important step and postpone this event (no matter how disappointing) until this PANDEMIC is conquered and our wonderful way of life is restored within this great country.

We thank each and every American as we all work jointly in making many difficult sacrifices over this most difficult period.

We can assure you, we will make every effort to continue celebrating, thanking, and recognizing our VIETNAM AND OTHER ERA VETERANS ALONG WITH OUR CURRENT SERVICEMEN/SERVICEWOMEN.

God Bless,
