Thank You on behalf of the Wounded Warriors at Camp Lejeune , NC who are able to spend this Christmas at home with their loved ones. Your generous donation has made it possible to serve our Wounded Warriors and continue this program this year. Again, Thank You.

These funds are used to purchase round-trip airfare to their home and provide mileage reimbursement up to the cost of an airline ticket. These monies will be disbursed to the troops on or about 15 December.

In addition to sending our Wounded Warriors home for Christmas, we also use these funds to provide emergency travel in the event of a death in the family.

Yours in Patriotism,

Dan McMahon, CFO

Jim Casti, Director

David Seaton, Treasurer
