

## CME INFORMATION

**4th Annual Mount Sinai Advanced INNOVATIONS in Heart Failure Symposium**  
October 10, 2019 | New York, NY

### **Target Audience**

The 4<sup>th</sup> Annual Mount Sinai Advanced Innovations in Heart Failure Symposium has been designed to meet the educational needs of General and Sub-Specialized Cardiologists, Cardiothoracic Surgeons, Nurses, Nurse Practitioners, Transplant Professionals, Fellows in Training, VAD Coordinators and Ancillary Staff committed to caring for complex cardiac patients.

### **Educational Goal**

The goal of the 4th Annual Mount Sinai Advanced Innovations in Heart Failure Symposium is to provide health care professionals with a state-of-the-art review of heart failure and advanced cardiac care.

### **Learning Objectives**

- Discuss the emerging role of SGLT2 inhibitors for treating patients with diabetes and heart failure
- Describe new drug therapies for the treatment of cardiac amyloidosis
- Review ongoing drug and device trials for patients with heart failure and preserved ejection fraction
- Describe the hemodynamic changes that occur in cardiogenic shock and how these changes are impacted by currently available drugs and devices
- Review the indications for and clinical outcomes with the use of temporary mechanical circulatory support devices in cardiogenic shock

### **Accreditation**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Gaffney Events. The *CMEsolutions* is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The *CMEsolutions* designates this live activity for a maximum of **7.25 AMA PRA Category 1 Credits.**<sup>™</sup> Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7.25 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**Request for ABIM MOC points terminates November 10, 2019.**

## **Participation Requirements**

1. Complete sign in sheet
2. Attend accredited sessions
3. For credit log on to URL: <http://online-med-edu.com/msahds2019>
4. Complete evaluation, credit request form, and download or print credit statement

## **Faculty and Disclosures**

*CMEsolutions* requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by *CMEsolutions* for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.

### **Faculty**

#### ***Anelechi C. Anyanwu, MD***

Surgical Director, Mechanical Circulatory Support and Heart Transplant Program; Professor, Cardiovascular Surgery, The Mount Sinai Hospital, New York, NY

Anelechi C. Anyanwu has no relevant financial relationships to disclose.

#### ***Eugene Braunwald, MD***

Distinguished Hersey Professor of Medicine, Brigham and Women's Hospital, Harvard Medical School  
Weston, MA

Eugene Braunwald has disclosed the following relevant financial relationship: Research grant through the Brigham and Women-Novartis, Astra Zeneca, Daiichi Sankyo, GlaxoSmithKline, Merck

#### ***Daniel Burkhoff, MD, PhD***

Director, Cardiovascular Research Foundation, New York, NY

Daniel Burkhoff has disclosed the following relevant financial relationship: Unrestricted Educational Grant -Abiomed; Consultant-PVLoops, LLC

#### ***Steven Coca, DO***

Associate Professor of Medicine, Icahn School of Medicine, The Mount Sinai Hospital, New York, NY

Steven Coca has disclosed the following relevant financial relationships: Advisory Board-RenalytixAI; Consultant-CHF Solutions, Takeda, Janssen, Relypsa

#### ***Arieh Fox, MD***

Assistant Professor of Medicine, Cardiology, Heart Failure and Transplant Icahn School of Medicine, The Mount Sinai Hospital, New York, NY

Arieh Fox has no relevant financial relationships to disclose.

#### ***Paul A. Grayburn, MD***

Director, Cardiology Research, Baylor University Medical Center, Baylor Scott and White Heart Hospital at Dallas, Dallas, TX

Paul Grayburn has disclosed the following relevant financial relationships: Research Grant-Abbott, Edwards Lifesciences, Medtronic, Boston Scientific, Neochord

#### ***Anu Lala, MD***

Director, Heart Failure Research, Assistant Professor of Medicine, Cardiology; Assistant Professor, Population Health Science and Policy, Icahn School of Medicine at Mount Sinai, New York, NY

Anu Lala has no relevant financial relationships to disclose.

***Donna M. Mancini, MD***

Professor of Medicine, Cardiology, Professor, Population Health Science and Policy, Icahn School of Medicine at Mount Sinai, New York, NY

Donna Mancini has no relevant financial relationships to disclose.

***Marc Miller, MD***

Assistant Professor of Medicine, Icahn School of Medicine, The Mount Sinai Hospital, New York, NY

Marc Miller has disclosed the following relevant financial relationships:

***Sumeet Mitter, MD***

Assistant Professor of Medicine, Cardiology, Icahn School of Medicine, The Mount Sinai Hospital New York, NY

Sumeet Mitter has disclosed the following relevant financial relationships: Consultant-Cowen, Abbott; Advisory Board-Pfizer, AstraZeneca

***Snehal R. Patel, MD, MBBS***

Assistant Professor, Department of Medicine (Cardiology), Montefiore Medical Center/Albert Einstein College of Medicine, Bronx, NY

Snehal R. Patel has no relevant financial relationships to disclose.

***Sean Pinney, MD, FACC***

Director, Advanced Heart Failure and Transplantation Program, Icahn School of Medicine, The Mount Sinai Hospital, New York, NY

Sean Pinney has disclosed the following relevant financial relationships: Consultant-Abbott, CareDx, Medtronic, Procyrion

***Vivek Y. Reddy, MD***

Helmsley Trust Professor of Medicine, Icahn School of Medicine, The Mount Sinai Hospital, New York, NY

Vivek Reddy has disclosed the following relevant financial relationships: Consultant-Biosense Webster, Farapulse, Abbott, Affera, Boston Scientific

***Gregory Serrao, MD***

Interventional Cardiology Fellow, Mt. Sinai Hospital, New York, NY

Gregory Serrao has disclosed the following relevant financial relationships: Consultant-Procyrion

***Maria G. Trivieri, MD, PhD***

Assistant Professor of Medicine, Cardiology, Medical Director, Pulmonary Hypertension Program, Icahn School of Medicine, The Mount Sinai Hospital, New York, NY

Maria G. Trivieri has no relevant financial relationships to disclose.

**Planner Disclosures**

No member of *CMEsolutions* or Gaffney Events has any relevant financial relationships to disclose in regards to this activity.

**Off-label Use**

4th Annual Mount Sinai Advanced Innovations in Heart Failure Symposium may contain discussion of unlabeled and/or investigational uses of agents not approved by the FDA. Please consult the prescribing information for each product.

**Commercial Support**

Commercial Support for this educational activity is provided by  
CHF Solutions  
Relypsa, Inc.  
Pfizer  
Abbott Laboratories  
Corvia Medical

**Fees**

There are registration fees associated with this symposium as outlined on the website.
