Theme: “Transitioning and Moving Forward Together.”

Mission: Helping to protect human health and the environment through equality, advocacy, and excellence of those employees who serve and the communities in which they serve.

GOALS & OBJECTIVES:

RECRUIT – To recruit members, through membership drives, and resourceful programs, whose ideas and talents are in alignment with the mission of both Blacks in Government (BIG) and EPA. Also those who have the passion and determination to further the (e)quality of life, personal and professional for all people.

RETAIN & RECLAIM – To retain the existing membership and to reclaim loss membership through discussions, programs activities (i.e., programmatic, community outreach, etc.), and resources that will create a win/win situation for both the individual, the membership and the agency as whole.

ENGAGE – To engage members and potential member’s alike in programs and matters that promotes the mission of the Agency and BIG, that are critical to the advancement of the mission and his/her personal and professional advancement inclusive of matters that are difficult and can impede such advancement.

PARTNERSHIP & COLLABORATION -- To build partnerships and facilitate collaborations with management at all levels, other infinity groups and EPA Chapters across the Agency and in the communities that we serve through outreach programs and potential sponsorships.
