COUNCIL #10681

ISSUE: AUGUST 2020

**Good morning & Welcome to the
August Edition of our Council newsletter Worthy Brother Knights**

Our blessed physical well being is just about the only sizzling enchantment worth celebrating for this summer. And every dot we connect is outside the perimeter of normalcy. We are absolutely in this together yet socially distanced and mostly under duress. July would have been a month Knight executives took a breather from meetings and circle time. With the coronavirus sitting firmly on the pause button, all fund raising events that require some degree of mass gathering are now pushed back until such time we see a big thumbs up from Dr Bonnie Henry. We miss her smiles lately. Extraordinary times call for innovative measures in continuing our mission and upholding our Fraternal Ordinance.

As your new Grand Knight, I pledge to maintain normalcy to the highest degree possible to mission all our core principles in the parlance of our Order in Charity, Unity, Fraternity and Patriotism. The pandemic might have vastly altered our social behavior landscape, our Brother Knights will remain vigilant to the testament that Membership in the Knights of Columbus is not primarily an invitation to do something. Knowing that life does not come with training wheels, Membership instead is primarily an invitation to be someone, a Catholic man who lives his life according to a Catholic commitment to charity, unity and fraternity.

Please note that there will be a virtual Membership (formerly General) Meeting at 7:30 pm on Tuesday, Aug 11th, 2020. An official link to log in will be Emailed to you in due time. On the Charity front, we have now a combo of Face Mask with KofC insignia and our famous Lawn Sign on sale for \$25 for the first 15 orders. So, hurry. See attached picture.

***Fraternally,
Winston Tong

District Deputy Corner

My dear Brother Knights,

A month has passed now since the beginning of the new fraternal year. We here in BC find ourselves in a slightly better condition with the reopening of business and public places. However, with all the Covid 19 safety protocols, and news of rising Covid case numbers in other countries, we are constantly reminded that the global pandemic is far from over. We must remain vigilant and continue to follow safety precautions in order for us to protect ourselves, our loved ones and fellow citizens.

As we find ways this summer to “enjoy” some kind of normalcy, let us all continue to pray for the end to this pandemic. At the same time, as Knights, let’s do our share in making this world a better place by being sensitive to the needs of others. Extend assistance and share our resources when able, thereby practicing one of our order’s core principles.....Charity.

*Vivat Jesus,
Ardee Bautista
