Please Join Us . . . A special 2-day jumping clinic with Jill Fagan, who has recently relocated to the area as the new head trainer and facility manager at Pleasant Heights Stables!

Jill has a unique training method that helps the hunter, jumper, equitation and event rider . . . by taking her years of training from classical dressage and applying to her theories and methods overfence, no matter the discipline . . . by being correct, having a good eye, balance, keeping a consistent rhythm to each fence, really having a connection with your horse in taking your time, being patient . . . all in a polite manner with the end result being a happy horse who wants to go to work and a rider who enjoys riding their horse!

ALL AGES AND LEVELS FROM NOVICE TO ADVANCED

TWO DAYS, WITH UP TO FOUR GROUPS DAILY

4 RIDERS PER GROUP (MAX)

We will offer Intermediate cross rail level and above. Riders will have the option of doing one or two days of the clinic. Jill Fagan has over 20 years of experience on the hunter jumper circuits. Her dynamic career has been vast and successful. Jill is known for her quality horsemanship and attention to detail; all of which she easily and effortlessly conveys to her students and horses, giving them the ability to have a confident, fun and successful career. She does a great job communicating to the riders the importance of where they are and what they need to be doing, as well as why. Learn more about Jill at www.frequentflyersinc.com.

Our clinics are normally set up in 1 ½ to 2 hour long sessions with 2-4 riders per group of compatible ages and levels. We try to have levels divided by fence height- cross rails 2', 2'6, 3' and 3'6 - as well as green and made horses.

Contact us for more specific information regarding rates and auditing. Drinks and refreshments will be available. Visit www.pleasantheightsstables.com to fill out rider's liability agreement and clinic form.
