Recycling:

The pounds per household is calculated by the tons collected for the quarter, divided by 3 months, and then divided by the current number of households which is currently 881 households. We have an average 475 households that recycle. The more you can recycle and can encourage your neighbor the better our program becomes.

We do have additional bins available for recycling, please call the Town Hall and let us know you need an additional bin.

In 2021 Marysville Township Recycling totals are as follows:
Quarter 1 – Collected 22.06 pounds per household per month.
Quarter 2 – Collected 15.93 pounds per household per month.
Quarter 3 – Collected 17.05 pounds per household per month.
Quarter 4 – Collected 22.75 pounds per household per month.

Wright County's goal for Townships is to collect 35 pounds per household per month.

Recycling calendars were mailed in March 2022.

Recycling is picked up curbside starting at 7am. Everything can be mixed in the Mumford Sanitation recycling bins. If you have questions about pick-up, please call Mumford Sanitation at 320-543-3601.

Recycling is taken to the McLeod County recycling center, where it is sorted and distributed. The more we recycle the better for the environment and it can even reduce your garbage bill.
