To Whom It May Concern:

The Speech Pathology Group (SPG), a California state Professional Development Provider (PDP-12), presented a .3 CEUs workshop entitled, **Report Writing and the Art of Scoring: A Comprehensive Review of CA ED Code, Eligibility Criteria and Legally Defensible Reporting, Part One** on September 26, 2014 at the San Mateo County Office of Education. Due to a medical emergency, there was a last minute change in speakers. Maret Wilson, M.A., CCC-SLP replaced Anna Krajcin, M.A., CCC-SLP as the presenter. Ms. Wilson has acted as an alternate speaker for this workshop on other occasions and is thoroughly familiar with the topic. She is a Regional Clinical Supervisor for SPG and is an accomplished presenter.

The CEU certificates that were distributed to attendees at this presentation are valid and are documentation of their participation and presence.

Sincerely,

*Barbara Taylor*
