The Templeton Chamber of Commerce is pleased to announce Jessica Main as the new Executive Director/ CEO.

"The [Chamber] Board and I are thrilled to have Jessica Main join us!" said Courtney Morrow, President of the Templeton Chamber of Commerce. "Her energy, enthusiasm, leadership and past experience make her the best person to lead our Chamber into the future."

An active member of the North County community, Main has been involved in numerous boards including the Atascadero Chamber of Commerce where she served from 2003 to 2011 as a Chamber Ambassador and President of the Women in Business Committee. In 2006, she was named their Ambassador of the Year.

Main is excited to take on this new role as Templeton Chamber

CEO because she will be following in her mother's footsteps. Joanne Main served as the CEO of the Atascadero Chamber for many years.

"I'm honored to have been chosen to lead the Templeton Chamber," said Main. "And am looking forward to furthering the mission of the Chamber to promote economic vitality, improve quality of life, and encourage cooperation within our community."

She holds a Bachelor's Degree in Visual Communication with a minor in Business from the University of California at Davis. For the past 16 years has been self-employed with her company JEM Design, creating print and website design for numerous businesses throughout San Luis Obispo County.

According to Main, "Working with a Chamber of Commerce played a pivotal role in growing my business and connecting with clients through chamber activities."

Jessica Main lives in the North County with her two children, enjoys spending time with her animals, and competes in Three Day Equestrian Eventing.

Members of the Chamber and local businesses are invited to meet Main and the incoming 2019 Board of Directors at "A Night in Narnia" – Templeton Christmas Tree Auction & Dinner – on December 8<sup>th</sup> in the "sour room" at Barrel House Brewing Company. The evening is a formal event for 21 and over. For more information please visit [www.templetonchamber.com](http://www.templetonchamber.com).

**Toad Creek Watershed Stewards Program presentation also on the agenda**

The Templeton Community Services District (TCSD) Board of Directors will meet on Tuesday, November 6<sup>th</sup> at 7 pm in the Templeton CSD boardroom (5<sup>th</sup> and Crocker next to the Fire Station).

The agenda includes a Public Hearing on revised Parks and Recreation Development Impact Fees. After a number of public comments and Board discussion at the September 18<sup>th</sup> meeting, the Directors sent the proposed fees back to be reworked.

### **BIKES NEEDED FOR THE ANNUAL CHRISTMAS BIKE GIVAWAY**

*From Tony Cipolla, SLO County Sheriff's Office*

It's the season of caring! The San Luis Obispo (SLO) County Sheriff's Office Christmas Bike Program is currently seeking donations for the Christmas Bike Giveaway that will be held on December 19<sup>th</sup> at the Sheriff's Honor Farm.

The program was set up 29 years ago to promote the holiday spirit by giving away refurbished bicycles and new helmets to children in need throughout SLO County. Due to the generosity of the people of this County, the program has continued to be a big success.

We are having an early kick off to this event on Thursday, December 13<sup>th</sup> at the SLO Farmers Market. If you'd like to request a bike from this event or the December 19<sup>th</sup> giveaway, please request an application from the email address listed below or go to the SLO County Sheriff's Office website.

Currently, the Sheriff's Honor Farm is the assembly point for bicycles that are donated and in need of repair. Inmates who are housed at the Honor Farm make the repairs. The program instills in the inmates a positive work ethic, self-respect and a sense of worth to the community.

Individuals and businesses who wish to donate children's bicycle helmets can bring the helmet to any of the Sheriff's Office Patrol Stations or to the Honor Farm on Highway 1. If you'd like to make a monetary contribution for the purchase of parts or helmets, please send a check to: Sheriff's Advisory Foundation, ATTN: Bicycle Fund, P.O. Box 3752, San Luis Obispo, CA 93403.

The Sheriff's Office could not continue this program without the help and generosity of groups like Rita's Rainbows which donates money to buy bicycle helmets, Bike SLO County which donates many hours to helping inmates refurbish the bicycles, and the Sheriff's Advisory Council which donates time and money to the cause.

PLEASE NOTE: we are no longer taking adult bicycles and will only be accepting children's bicycles. If you know of a child (up to 15 years of age) in need of a bicycle, please email Sergeant Matt Andrews at [mandrews@co.slo.ca.us](mailto:mandrews@co.slo.ca.us) to request a Christmas Bicycle Application or visit [www.slosheriff.org](http://www.slosheriff.org).

All applications are due by November 30<sup>th</sup>, 2018.

### “I’ll never be the same” – My Ukrainian wife’s first visit to the United States

*The Daily Signal – November 2, 2018*

*By Nolan Peterson*

How do you measure America's greatness? By the size of its economy, or the strength of its military? By the height of its city skylines, or the audacity of the moon landings? Perhaps the heroism of the Marines who landed on Iwo Jima, or the Army soldiers who landed on Omaha Beach?

Maybe. But America's greatness is not always measured like in the movies or a campaign speech. Sometimes, an anonymous act of gratitude is proof enough, even if we as Americans don't see it that way.

"This is the greatest country in the world, but most American's don't know it."
