## JUNE 2018 NEWSLETTER

### 200 YARD RANGE

Nick will mark off the additional land needed for the range expansion. When this is done Dennis will work with land owner to find out if they are willing to provide the additional land and at what cost.

### TREASURIES REPORT

Larry said we are solvent.

### CRSO REPORT

Steve Cox, CRSO is planning another RSO class on August 4, 2018. This will be the final RSO class of the year. All members are encouraged to get there RSO certification.

### HUNTING REPORT

Dennis Wade, VP Hunting, has gotten the permits to hunt on the property up until midnight for beavers, coyotes and wild hogs, only Dennis and several other members are covered by the permit.

### FISHING REPORT

Roger Burrows, VP Fishing, gave the members the following report.

Early morning and late evening are best for crappie. During the day as the water warms up he crappie move into deeper water.

Bass are running deep the spawning season is over.

Best fishing is for catfish using night crawlers.

At the beaches Roger said to check the latest regulations as size and catch limits have changed for several species.

### WLA SUMMER CAMP HELP

National has asked our chapter to conduct the rifle training again this year. First camp dates this year are Monday, June 18 from 8:00 AM to 1:00 PM.

If you are interested in volunteering please contact Frank Oliver at Wildlife Action, Inc, phone number: (843)464-0635.

### PROJECT FAN UPDATE

Nick gave the members an update on the fan installation project for the range. The fan has been backordered. As an alternative Nick suggested a pole mount fan, which cost 3 or 4 dollars more. The members gave Nick approval to purchase the pole mounted fan.

### CMP COMPETITION

Kevin gave a report on hosting a CMP event. This month CMP event was turned into a practice event because of the pre event administrative work that is required and the restrictions on the type of firearms and targets that can be used. There is also a \$10 fee per registant payable to The CMP.

CMP guidelines must be followed for an event to be considered an official CMP event.

A tentative CMP event is planned for October 2018. We must host an event this year to retain our CMP affiliation.

## **ORDERING FROM THE CMP**

Several members have tried to order ammo from the CMP and found it difficult. So here's what you need to do to get registered in order to buy ammo.

Make a copy of your driver's license, CWP(If you have one.), your National Wildlife Action member card, and last proof of citizenship which can be a passport or birth certificate. You will also need to give them our organizational CMP number(037065). You can send you information to:

Tiffani Bagley

Sales Associate

Civilian Marksmanship Program

1401 Commerce Blvd

Anniston, AL 36207

256-835-8455 Office

256-831-8331 Fax

[tbagley@thecmp.org](mailto:tbagley@thecmp.org)

You can also make a digital file of your information and send it by email. Warning: this is not a secure way to send this type of highly sensitive personal information.

## **RENTING THE FACILITY**

Nick said he has been approached by a club to see if they could rent the range for a day. Kevin and Steve both declined because of the charity 501 C status and insurance liability of WLA. This generated a conversation about renting the facility to church security teams. Kevin and Steve have been approached by church groups asking to rent the facility. The current SOP guidelines dictate that church members would need to become members and RSO's appointed for the event.

## **BOARD MEETING & MONTHLY MEETING**

The board will meet at 2:00PM, Sunday, July 8, 2018. Topic will be use of the facilities by outside groups. The chapter's regular monthly meeting will follow at 2:30PM.

## **NEW BUSINESS**

Our own Treasurer Larry Davis is now Wildlife Actions, Inc Treasurer. Congrats Larry!

## **LONG RANGE SHOOTING OPPORTUNITIES**

Echo 6 in Aynor, South Carolina will be holding an open house at their shooting park on Saturday, June 23, 2018 from 2PM to 5PM. The shoot park is located at 4857 Page Rd., Galivants Ferry, SC 29544. Phone (843)358-7797 to RSVP If you're interested in going.

The range is up to 500 yards long and barring delays caused by the weather it should be completed by the open house date. The park also has a five stand shotgun range and pistol range.

## **NEXT MONTHS EVENT**

TBD
