

Spring, 2016

Dear Friend,

We are contacting you on behalf of the Altadena Community Garden, your neighbor here in Altadena. We are kindly asking for support for our Annual Altadena Community Garden Picnic, the annual fundraiser and open house for the community. Would you consider contributing merchandise for our raffle?

The Altadena Community Garden, located at the corner of Lincoln and Palm, is truly the result of a community being involved. We are recognized as one of the leading community gardens in Southern California, opening our gates to school children, field trips, workshops, gardening class and community events.

In the early 1970's a local area Community Committee was formed, worked with Los Angeles County Parks and Recreation Department, along with the political leaders to agree, design and sculpt the garden into the showcase it has become today. Since the completion in 1973, the garden has thrived in creation, amplifying the spirit of the original gardeners and so many in the community who strove for many years to make the Altadena Community Garden a reality.

We welcome you to attend the picnic and resource fair and experience, for yourself, the refreshing freshness of the garden. It will be held Saturday, June 25th, in the Garden and Lower Loma Alta Park. The gates will open at 12 P.M.
