**LETTER OF APPRECIATION**

It is certified that **Syed Hassan Ahmed S/O Mr. Zahir Shah**, Student of BSCS has got **1<sup>st</sup> Position** in **Final Year Research Project (Sensing Movements of Different Objects With Sensor Less Sensor Networks)** during his Bachelor Degree.

He has done research on Wireless Sensor Networks, more specifically with "MicaZ Sensor Motes" including their behavior without sensing module duly attached with them. His work was appreciated by the Vice Chancellor in KUST Newsletter (Jan 2012 Volume) & professionals visiting the campus. Also, the way he has presented his research project was also appreciated.

He worked hard with devotion & honesty and I along with my faculty members wish him best of luck for a very bright future.

**M. Zeeshan Bangash,  
Director,  
Institute of IT**
