

## Scent List and Fragrance Descriptions

### **Amber Sandalwood**

Striking wood base notes. Sandalwood is considered an alternative medicine to relieve stress and bring one closer with the divine. Great for meditation or relaxation during the quiet moments of our lives.

### **Frosted Pumpkin Bars**

Absolutely the yummiest scent we make! Your mouth will water as you take in all the spices of the pumpkin bar and sweetness of the cream cheese frosting. Very close to a Carrot Cake, only with Pumpkin!

### **Vermont Apple**

Juicy, sweet, and tart all at the same time. This is truly the pick of the crop, the very best Macintosh apple fragrance around.

### **Cinnamon Spice**

Blending rich Cinnamon with just a touch of Nutmeg and Clove, pleasing to anyone who loves true Cinnamon, the real red hot type.

### **Christmas Tree**

Sweet fragrant Balsam and aromatic Douglas Fir combined to bring you the perfect scent of Christmas.

### **Baked Apple Strudel**

A timeless holiday treat, indulge in the sweet simplicity of Baked Apple Strudel. With a ripe apple aroma accented by warming spices that will inspire.

### **Cranberry**

This is a tart, traditional Cranberry scent.

### **High Tide**

Remember walking along the shore on the oceanfront? The salty sea air and pounding waves are wrapped up to create a true ocean mist "sensation.

### **Lily of the Valley**

A true white beauty; light and floral, perfectly blended. Immerse yourself in the unmistakable scent of springtime cheer.

### **Lavender**

A truly aromatic Lavender. Captivating, yet soothing and relaxing. Reminiscent of days past. Indulge yourself and be swept away.

### **Peppermint**

Watch out! This is the granddaddy of all peppermints. Cool and crisp with just a slight touch of sweetness.

### **Citrus Zest**

This unique combination fills the air around you giving you pleasant sparks of rejuvenation. The mix of sweet and tart.
