Hi Everyone,

We're looking forward to another excellent year and new decade. We already have speakers lined up through our May Meeting. As always, if you have ideas for speakers and topics you would like to see presented, please let Vita Miller know.

This year we will hold our Board meetings immediately following the luncheon meetings on March 9<sup>th</sup>, May 11<sup>th</sup>, and October 19<sup>th</sup>. That will dramatically reduce the number of separate Board Meetings we have, to 2 per year. Members are invited to attend!

I am elated that we elected 2 new and wonderful board members at our December Meeting. Please welcome Straith Smith-Zanartu and Brian Reynolds to our board! Each brings needed new energy. Straith is our new Secretary and is already doing a great job. Brian and Straith have each already brought some issues and ideas to us.

We still have one vacant Directorship we would love to fill. We also have the flexibility to add new Board members at any time. It's always a good idea to have overlap between long-term board members and new board members for continuity. We extend an open invitation to anyone who may be interested in joining the board to inquire further &/or attend a board meeting. The most important requirement is to use computers with facility.

In advance of the next County Health Care Committee meeting, please let us know what Dental Insurance options you would like the County to extend to retirees. Is Aetna sufficient? Do you want Delta Dental, as is offered employees? Something else?
