

Link System with Infinite Adjuster

QUICK REFERENCE SHEET

Features & Benefits:

- Link up to three roller shades with infinite adjustability
- Adjuster wheel allows for easy and precise alignment of shades
- Extra interior support greatly reduces fabric tracking through the link
- Saves installer labor and frustration by eliminating the use of shims to align the brackets
- WCMA winner for Product Innovation
- [New August 2013](#) – Extended line of intermediate brackets and bearings provide a broader range of options

These brackets and bearings can be paired with the Infinite Adjuster kit to link shades or as intermediate brackets to join multiple in-line shades pin end to pin end:
