

As someone who understands that **Strong Schools make Strong Communities**, you won't want to miss **The 2014 Baldwin County Education Summit**.

## MAKE ROOM FOR THE FUTURE

### The 2014 Baldwin County Education Summit

Thursday, November 13, 2014 | 6 - 8 pm  
Daphne Civic Center | 2603 Highway 98 Daphne, AL 36526

#### Where do we go from here?

#### The future of Baldwin County has never been brighter!

*New regional industry and development of all kinds will strengthen our economy, grow our community and attract thousands of additional students over the coming decade.*

*Building a solid plan for the future requires taking stock and taking responsibility.*

*Building a solid plan for the future requires taking stock and taking responsibility. Join us to learn the facts you need now:*

- *Advances in instructional rigor and relevance;*
- *State-of-the-system finances/ongoing accountability measures;*
- *Current classroom shortages;*
- *5 and 10-year growth projections;*
- *A comprehensive proposal to address school construction and facility needs through 2023.*

The 3rd Annual County-wide **Education Summit** is hosted by the **Baldwin County Education Coalition** and presented in partnership with the **Baldwin County Public Schools**. Admission is free and the public is invited. No advance registration is required. For more information contact the Coalition at [info@betterbaldwin.com](mailto:info@betterbaldwin.com).
