Red candle holder

You will need a base cookie and a top cookie for each candle holder. Cut out the circles for the candle from only the top cookie after baking. This way the size of the hole will not change.

Paint the cookies red (see techniques at page 7).

Glue the parts together with icing.

Glue the candle in with icing.

Decorate your cookie with white icing

Holly leaf wreath

Make a big ring shaped cookie with a tiny hole on top.

Outline your cookie with white icing and cover with white flood icing.
Let it dry overnight.

Draw the holly pattern on your wreath:

Outline the holly leaves with dark green icing

Fill the leaves with lighter green flood icing, let it dry.

Make red dots for the berries.

Finish the inner and outer edge with red icing dots.

Draw the veins of the leaves with dark green icing
