

ELFANORA RECOGNITIONS

Elfanora admires campers, CAs and adult volunteers who demonstrate the Girl Scout Promise and Law in action by going above and beyond the "call of duty" to help out another member of our Camp Wil-Lo-Linn group.

If you or anyone in your unit observes someone doing this they can submit a note to our Elfanora Recognitions Box at Headquarters.

Tell us who you want recognized (camp name for volunteers or CAs), what they did that you admire, and if you want – your name or the name of your unit.

We will "shout out" as many of these recognitions as practical during our daily closing ceremony at camp.

Thank you for making camp a place where good things are done and recognized!

NOTE: At the end of camp, we attempt to get the recognitions to the person recognized.

ELFANORA HIKES & TOYS

Elfanora loves Camp Wil-Lo-Linn and its campers. She knows that every summer we will be spending time hiking through the woods, searching for signs of her presence and helping her collect her toys. She wants you to be safe – so don't go wandering off the paths or away from your unit when you are on hikes.

She also wants you ALL to have fun! So what you find a toy – pick it up and turn it in – but make sure that you don't find them all. Make it your goal to let everyone in your unit find a toy on their own – Elfanora is watching and wants you all to share in the fun.

*Even more than finding toys – she loves getting letters and writing back! So make sure you send her a letter at least once during camp and make sure you write **YOUR NAME** and **UNIT NUMBER** on the letter so she can write back!!!*
