### President's Report "My Turn" By Ward Sevila

Well here we are, a brand new year with a lot to look forward to in 2015. While we've added some great new members this past year and for 2015, it looks like we'll be saying goodbye to some members this year. For those of you who are leaving, we have truly enjoyed your membership and it is my sincere hope you will continue to come out and support and enjoy our events throughout the year. Please note that for those of you who have not paid your 2015 dues or are otherwise not renewing your membership, this will be your last newsletter. Membership dues help to pay for the newsletter printing and mailing costs and therefore must be discontinued hereafter.

If you have not seen the article in one of the area newspapers, we had a great turnout, a lot of fun, and an excellent presentation by our very own Jim Glass at the 2015 annual banquet. Jim is a former Ford Motor Company exec and gave us plenty of insight into the Ford family and the company with his entertaining and interesting discussion. He will be a tough act to follow for next year's banquet but we have plenty of time to search. Volunteers anyone? Thanks again Jim. Please see the article in this newsletter for more on the banquet.

We also officially elected your new board, officers, and committee chairs as follows: President - Ward Sevila, Co - Vice Presidents - Ted Thomas & Bob Sydnor, Secretary - Sherry Gatton, Treasurer - Dwayne Schnakenberg, Directors - Paul Stosch, Ron Cook, & Wayne Burgess, At Large Director - Esther Minter, Car Show Chair - Brent Gatton, Membership Chair - Mary Jean Inscoe, Activity Chairmen - Paul Stosch & Bob Sydnor, Press Secretary - Ward Sevila, Editor - Caitlin Thomas, Webmaster - Ward Sevila, and Ladies Auxiliary Co-Chairs - Mae Lynne Guest, Connie Lewis, & Gloria Sydnor. As explained at the banquet, I will serve as president thru June after which Bob Sydnor will succeed me. And special thanks to our outgoing officers Mae Lynne and Wayne who both served as treasurer and vice president, respectively since 2009.

Speaking of events, we are working on the schedule for the year and it appears that it will be a full one. For starters we have the Asphalt Angels car show coming up shortly 6-8 February. Some of us are entering cars in the show but the main activity is selling raffle tickets in support of our car show. Brent and Sherry are heading this up and if you have not signed up to work the event, please contact them ASAP to volunteer.

Next we have the AACA Annual Meeting in Philadelphia set for February 12 – 14. As I announced at the banquet, our region is being honored this year by receiving a national award. Cathie and I are going along with Peyton & Mae Lynne Guest, Earl & Judy Beauchamp, and of course Wayne & Gloria Burgess to receive the award. Should be a lot of fun and I'm excited to see what the award is about. If you are interested in more information about the meeting there's a copy of the registration form/flyer in this newsletter as well as at this webpage

[http://www.aaca.org/images/meet\\_brochures/AM\\_15\\_Members\\_Annual\\_MeetingRegistration.pdf](http://www.aaca.org/images/meet_brochures/AM_15_Members_Annual_MeetingRegistration.pdf). We also have a very important event coming up April 30th thru May 2nd at Virginia Beach. The Tidewater Region is hosting the 2015 Eastern Division Spring Meet. This is a really big AACA event and I want to encourage all members to get involved. Please see the flyer in this issue as well  
[http://local.aaca.org/tidewater/2015\\_national.html](http://local.aaca.org/tidewater/2015_national.html)

I briefly mentioned earlier about the raffle ticket sales in support of our annual car show, which by the way will be May 30th at Stan's Skateland and Dairy Freeze. This year's raffle consists of a set of hydraulic vehicle dollies for 1st prize, a jumper box battery/air compressor & neon clock for 2nd, and \$100 cash for 3rd. Sherry reports that we have gotten off to a slow start this year with the raffle tickets so we need everyone to pitch in by taking some raffle tickets to sell. Please see her to get some of the tickets. I can't stress how important this is as it goes a long way towards funding and the success of our annual car show.

Our good friend and member Albert Jones has been very ill as of late but has begun to recover a bit.. Please keep Albert in your thoughts and prayers for a complete recovery.

I will be in Philadelphia during the monthly meeting but I hope you all will show up and support Bob in action. In the meantime I hope to see many of you at the Asphalt Angels show first of the month. Take care and see you soon.

### Meeting Minutes By: Sherry Gatton

-Golden Village – we had a good turn out: Brent & Sherry Gatton and their friend Candee Ellis, Bill McBride, Bill Lewis, Paul Stosch, Joe Goodrow, John Haszard, Nancy Rohr, and Ward & Cathie Sevila. Corinne thanked everyone who came through the sprinkling rain.  
-Farnham Manor – was very successful. Bill Lewis' group

(Horsehead Pickers) performed and Connie Lewis and Aunt Beth were guest singers.

-Birthdays – were announced.

-Anniversaries – were announced. Congrats to Paul & Margaret Stosch who have 57 years together.

-Sick List – Both Givens are doing well now. Peyton talked with them. Gene Brooks has had his hip replaced and is doing real well except for fluid retention. He hopes to be back and rolling by spring. Wayne DuBois is doing well after knee surgery. Cheryl Melton is doing well after her heart troubles. Paul Stosch was present at the meeting after having a broken back repaired by “in & out” surgery. He said, “I got through that so quick, I had to drive by and pick up my own get well cards”. And that is true. I (Sherry) had it ready, but didn’t have a chance to get it in the mailbox, when here came Paul in person!

-Newsletter glitch – it got out a little late due to a communication problem. Ward suggested that everyone read the story in the “Getting To Know You” column about Peyton & Mae Lynne Guest. Especially the portion pertaining to Mae Lynne who was a CHEVY person and was forced to change to FORDS when she met Peyton.

-4th Complimentary Membership – was given to Matt Ingram from Ward. Matt is a body shop teacher at the high school.

-Minutes – Motioned to approve, 2nd, passed.

-Treasurer’s Report – read. Motioned to approve, 2nd, passed.

#### Old Business

-Annual Dinner – is January 11th 1:00 p.m. at the Montross Fire Department Hall. Jim Glass, former Ford Executive is guest speaker. Please get your money of \$20.00 per person in to Mae Lynne ASAP. So far we have 34 paid attendees. Paul Stosch needs 1 week notice for the caterers.

-Charity for Surrey Girls was covered. Info regarding Charity is to be put in the newsletter.

-Roma’s Cruise In – December 28th will also have the Christmas trading game.

#### New Business

-Our Car Show – will be May 30th. Brent Gatton spoke regarding the raffle fund raising project. 1st Prize will be 4 Wheel Dollies and a Floor Jack. 2nd Prize will be a Jump Box with a portable battery and air compressor – along with a Neon Clock. 3rd Prize will be \$100.00. We will start sales at the January 11th Dinner meeting and also ask members to pick up the tickets that they will help sell for the club. We also will be selling tickets at the Asphalt Angels Indoor Car Show February 6,7,8. So, Brent would appreciate everyone’s cooperation in signing up for whatever shifts you can.

-King & Queen Cruise - will be this Spring according to Wayne Burgess. More info to be announced in the future.

- Future event ideas – Ward asked everyone to be thinking of future events that you might like to do. He even said that it doesn’t have to be a car dedicated event.

-Tidewater Tour – April 30 – May 2

-Flea Market – Charlotte, N.C. South Eastern Division Spring Meet April 9-12.

-AACA 79th Annual Meet – February 12-14. They have classes on judging, restoring cars, etc. in Philadelphia.

Trolleys run you around town. It’s called “The City of Brotherly Love”. Go to the AACA website for more info.

-Suggested Car Show – Brent Gatton said the Southern Knights car club will be having their show the 2nd or 3rd week of April. It is in Charlotte Hall, MD and they usually have 600 plus cars. He will provide a date later.

-Tappahannock Christmas Parade – Saturday 13th. Parks and Rec. put it on. Paul is entering his car.

-Dues Renewal time – reminder.

-Club store items available – reminder. There are shirts, hats and medallions for your cars.

-By-Laws – Wayne Burgess urges a committee to get the By-Laws updated. Dwayne Schnakenberg is the Chairman. We will set a date for the first meeting at the January meeting.

-Open Discussion time – Ward discussed Corvairs and interesting trivia. Sherry Gatton asked if ads in the newsletter could be changed each month and the price still stay the

same. For example if you wanted to run an ad of specials and they change each month. Ward answered that the ad price would stay the same.

-Lost advertiser – Chandler Chevrolet. Brian died of cancer. New owners bought the dealership. Peyton Guest is to keep up with approaching the new owners.

-Current car for sale ad – Ward asked if we are to continue that ad and it will not be run again.

-Board Minutes in newsletter – There was a discussion as to whether or not this should be put out to the public (non-members) who receive the newsletter. Ward researched past issues for 2 years and only once was Board Minutes published. Sherry Gatton spoke up and said that one time publishing them was her mistake as Editor. Ward explained that not everything is in the board minutes – only what was approved. What the Board decides is gone over in the general meeting.

-Giving newsletters to advertisers – Mae Lynne Guest asked if we could. Bob Sydnor said he would like to give at least 1 newsletter as proof that the advertiser’s ad was published. Ward said that in February, he would do 1 issue with a Thank You note to advertisers.

-Newsletter Editor’s request – please contact Caitlin Thomas with updates to ad dates or etc..

Meeting adjourned

## **NNAACA Club Supports Family in Need of Handicap Van**

**As noted in the last newsletter, the club is supporting fundraising efforts to assist the Surrey family, whose two daughters suffer from Batten's Disease, to acquire a specially equipped van that will accommodate two wheelchairs. The committee that was established for this purpose has been hard at work planning activities that will be both fun for club members and raise needed funds to go toward purchase of the van.**

**A hot rod pedal car and a popcorn machine, both donated by club members, are being raffled with the drawing to be held at the annual car show in Montross on May 30. Both items were displayed at the annual dinner and will be taken to other events over the next few months. The committee needs assistance selling raffle tickets, and anyone wishing to help should contact Dave or Cindy Franklin at 804-840-3628.**

**The committee hopes to have a Spring Fling 50's style event later in the spring. Look for details at our meetings, through the newsletter or by email as plans develop. It also hopes to schedule a few cruise-ins at several ice cream shops, where a portion of the proceeds from their food sales would be donated to the charity.**

**Help with these efforts is needed and appreciated, and if you can assist, let one of the committee members know. Committee members are: Dave & Cindy Franklin, Sherry & Brent Gatton, and Ted Thomas.**

### New Hagerty Usage and Mileage Program

Vehicles insured in our program must be used on a limited basis consistent with the operation of something valuable, such as club functions, exhibitions, organized meets, tours and limited pleasure driving. Hagerty has no strict mileage limitation for collector vehicles used in this manner. We want customers to feel comfortable driving their collector cars on a limited basis without watching the odometer. Limited use does

NOT mean that vehicles will be used for normal or backup daily transportation, such as driving to and from work, or school, or for daily errands. We will not insure vehicles used for high-speed racing, or high-speed rallying, or for the commercial transportation of goods and passengers (such as rentals, commercial hauling, etc.).
