

# Collision Repair Technology

**CHAIR:** Jeff Oldenettel

**CO-CHAIR:** -----

**CONTEST DATE:** April 26, 2018

**CONTEST LOCATION:** Hutchinson CTEA, T105

**CONTEST TIME:** 8:00 am

**PURPOSE:** To evaluate each contestant's preparation for employment and to recognize outstanding students for excellence and professionalism in the field of collision repair technology.

**ELIGIBILITY:** Open to active SkillsUSA members enrolled in programs with collision repair technology as the occupational objective

**CLOTHING REQUIREMENT:** Unless the contest chair says otherwise, students are required to wear the Official SkillsUSA Kansas T-shirt and blue jeans (no tears, holes, or bagginess) clean and neat with appropriate shoes for contest or Official SkillsUSA white polo shirt with black dress slacks, black socks and black leather shoes.

*\* Safety glasses with side shields or goggles. (Prescription glasses can be used only if they are equipped with side shields. If not, they must be covered with goggles.)*

Official SkillsUSA Kansas T-shirt attire

Official SkillsUSA blue work shirt attire

**FORMULA CONTEST: COLLISION REPAIR TECHNOLOGY**

**Collision Repair Technology: 24 Max Contestants**

**FORMULA CONTEST:**

The following schools/colleges may enter the following number of students in competition:

Eudora High School	5
Highland Community College	1
Hutchinson CTEA	1
Hutchinson Community College – CTEA	1
Kansas City Kansas Community College	5
Northwest Kansas Technical College	1
Olathe Advanced Technical Center	5
Washburn Institute of Technology	4
Wichita South High School	1

Formula: School CRT SkillsUSA member = \_\_\_\_ / 164 X 24 = # \_\_\_\_ School Contestants

164 = Number of Statewide AST SkillsUSA Members

24 = Maximum seating for contest

Example if your school had 35 members one would divide that number by 164 x 24 totaling 5.122 allowing that school to enter 5 student in the competition. The only time a number is rounded up if the number is below 0.1 giving that school an opportunity to compete. Exception to the rule would be if we did not max out the contest availability. Another exception to the rule would be if we exceeded the Max capacity of the contest then we may eliminate schools that only enroll 1 member to compete in a particular formula contest. The schools that may be eliminated from the formula contest are encouraged to enroll students in the Job Skill A or Job Skill Open contest still giving students the opportunity to win a medal and possibility attend the National Conference.

NOTE: If your school was eliminated from the formula due to low enrollment, or if you would like more students to compete in this contest from your school, fill out the Contest Alternate Form. If a spot comes available, we select from the forms submitted.

**CONTEST UPDATES:**

**TOOL LIST:**
