From an NFP Pioneer

"Couples who adopt NFP to space the births of children find that it brings about many positive changes in their relationship and even becomes a way of life. It begins with acceptance, and even wonder, at the way the human body is made. As one woman noted, 'Knowing and learning about what goes on inside of my unique body amazed me.' Women especially find this information empowering. The woman gains a new respect for herself and often finds that her husband has a new supportive attitude: 'My husband respects me as a person in my own right. He accepts my fertility as part of me.'" (Mary Shivanandan in, *An Introduction to Natural Family Planning*, Notare, ed., 2009, p. 22)

Please help support our parishioner **Melissa Stahl** as she answers God's calling and prepares to go on her third mission trip to **Pine Ridge Indian Reservation in South Dakota**. You may help by donating the following items: toothpaste, toothbrushes, soap, deodorant, disposable razors, shaving cream, etc. Also baby items are needed such as diapers, formula, wipes, etc. A tote is in the back of the church for the donated items. Monetary donations are also accepted. Checks should be made payable to "Re-Member". **Deadline for donations is August 27<sup>th</sup>**.

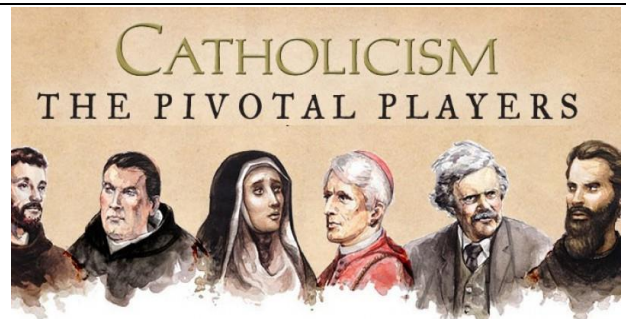

**Next weekend, Rev. Ronald Sibugan**, a missionary from the Philippines will be here to share with us his work, ministry and missionary experiences. He is currently the Director of Vocations and resides at the Assumption Community house located at Assumption College in Worcester, MA. Your generous sacrifice in the second collection next weekend makes possible the continuation of this ministry in mission lands. Please come prepared to make your usual generous sacrifice so the Gospel can be carried "...to the ends of the earth." You may make your offering at the Second Collection next Sunday.
