FEATURED WINES

The wines below offer great value along with uncompromising quality

"Saved", Proprietary Red Blend, California

Wine maker Clay Brock selected grapes that would deliver rich, ripe and full flavor. Individual parcels were selected from the best regions, then handled and blended separately to maintain the unique fruit characteristics of each varietal. 16 months of aging (30% new French oak) prior to blending delivers a robust, powerful wine with big personality and a generous finish.

St. Supery Estate Sauvignon Blanc, Napa Valley

This is a beautiful representation of what a Napa Estate Sauvignon Blanc can offer. With brilliant shades of pale yellow laced with youthful notes of green, aromas of green lime and grapefruit bounce from the glass accompanied by vibrant citrus notes of lemon zest. Grapefruit and green lime couple with citrus flavors on the palate. This is an opulent and vibrant wine that pairs beautifully with salads and fish.

MacMurray Estate Vineyards Pinot Noir, Russian River Valley

Following harvest the grapes were cold soaked for at least two days to enhance extraction of the variety's vibrant color and delicate flavors. Aromas of lavender and boysenberry give way to dark cherry and pomegranate flavors. This luscious wine has a silky mouthfeel, framed by subtle hints of oak from barrel aging.

Raymond "Sommelier Selection Cabernet Sauvignon, North Coast

Raymond "Sommelier Selection" Cabernet Sauvignon was crafted by a group of influential sommeliers. This wine is comprised of fruit from Napa Valley, Sonoma County and Lake County. Napa valley is the back bone with its providing the fullest expression of black fruits. Sonoma County gives the wine structure & balance. Lake County makes for a jammy finish that's easy to enjoy.
