## SPRING HIKING SCHEDULE MARCH, APRIL and MAY, 2018

Hikes ratings are based on terrain (mileage is stated separately in the description). An "easy" hike is one with relatively flat terrain or gentle, rolling hills (for example, Rockefeller Preserve). A "moderate" hike has steeper grades, possibly going up and down all day, and may involve some bushwhacking or short rock scrambles (like much of Harriman Park). A "strenuous" hike has steep ascents, often with rough or difficult terrain on much of the hike (like most Schunemunk trails, Breakneck Ridge, etc.). These ratings apply during good weather. Bad weather may lead to poor footing and increase the difficulty of any hike.

Hiking boots and sufficient drinking water (1-2 liters) are required on all hikes. A trail lunch should be carried unless otherwise noted. Hikers with improper footwear, without sufficient water, or who are otherwise unprepared, may be refused by the leader. Well behaved dogs on leashes are welcome on hikes listed as "dog friendly," but please do not bring your dog on hikes that do not have this listing. New hikers are asked to contact leaders in advance of hikes. All hikers should choose a hike within his or her abilities - contact the leader if you have any questions. All who participate in the activities of Westchester Trails Association (WTA) do so at their own risk.

A hike listing with an "NWP" designation means that the group meets in the parking lot of the North White Plains train station at the stated time for a carpool to the trailhead. (Otherwise, please contact the leader for information about the meeting time and place and whether public transportation is available.) To reach the NWP lot, take the Bronx River Parkway to Fisher Lane in North White Plains and follow the train station sign. The parking lot is half a block from the turn, on the right hand side, before the underpass. There is no charge in this lot on Saturdays or Sundays. If coming by train please notify the leader. Walk down the stairs from the train platform to the parking lot on the NYC bound side, then walk north toward the toll booth.

We encourage carpooling to the hike site. This arrangement is entirely voluntary and entails no obligation on the part of the drivers. Passengers should reimburse the driver for a share of the expenses. We suggest that you multiply the miles driven round trip (to and from the trailhead) by 30¢ per mile, add tolls and parking fees if applicable, and divide the total by the number of people in the car (including the driver). You may wish to round these amounts up or down to the nearest dollar, to make things easier.

A schedule of WTA activities is printed 4 times a year. If a leader's contact information is not listed below, please e-mail Eileen West at [eileenw1000@gmail.com](mailto:eileenw1000@gmail.com) for details.

**Saturday, March 3 - Saxon Woods.** 3 miles, easy to moderate. We will do a circular hike on the white trail, which goes through surprisingly wooded, shady and serene areas in spite of the park's location near the city of White Plains. Meet the leader at 10 a.m. in the pool parking lot off Mamaroneck Avenue - park in the southern portion of the lot, which is near the trailhead. Leader: Toby Garfinkel, (914) 337-6612. *Qualifies for the Westchester 100 (No. 60).*

### **Sunday, March 4 - TWO HIKES TODAY:**

From there we'll walk the ridge line along (mostly) marked trails passing some viewpoints until we complete a loop around the mountaintop. Then it's back down the lollipop stick to the start. Along

the way, we'll enjoy the early spring flora and look for signs of indigenous wildlife: zombies, trail wolves and the flightless two-legged chatterbox. Meet at 10:00 a.m. in the parking area on Old Albany Post Road in northern Putnam County. Old Albany Post Road is a left turn (heading north) about 200' past a place called Jaymark Jewelers: 3612 U.S. Route 9. Please let the leader know you're coming, in case of any changes.
