

Cross Lutheran School Tuition Assistance Request Form 2023-2024 School Year

Cross Lutheran School is committed to providing quality Christian Education to Pigeon and the surrounding community. It is Cross' desire to support parents financially as they help their children grow spiritually, academically, and physically. A dollar figure should not be the reason why your child does not attend Cross Lutheran School. Therefore, a fund has been established to assist those families that are financially burdened and are not able to pay school tuition in full. Below are a few questions that will help determine the financial amount to be awarded to your family.

This application and information contained in it are kept confidential.
