

BIG IDEA:

Curricular Competencies:

Content:

Groupings

Connections

Helping Partnership:

- Peers:** Connected Learning Partnerships, buddy classes, Skype in the Classroom
- Experts:** digital Human Library, VROC, Exploring by the Seat of Your Pants, teacher / student contacts
- Community:** previous connections, areas of need
- Organizations:** causes you have a heart for, causes your students have a heart for

Allowing the students to discover their own connections can increase ownership and student choice but requires sufficient guidance from the teacher.
