

**NOTICE IS HEREBY** given by the Tusten Town Board, the Town of Tusten is seeking **SEALED BID** proposals for the design(s) and installation of an emergency standby electrical generator system(s). The generating system(s) shall be of sufficient capacity to maintain the operational functions needed during emergency situations for the Town of Tusten municipal building department(s) which are to include: **(#1) Town Hall** Building, located at 210 Bridge Street Narrowsburg, NY; **(#2) Town Highway Barn**, located at 6067 St Route 97, Narrowsburg, NY; **(#3) Water & Sewer** building as well as all Water & Sewer Systems.

Proposals shall include electrical, LP fuel gas and complete installation specifications for each of the three departments **1. Town Hall, 2. Highway 3. Water & Sewer.** Please label them accordingly.

All work must be performed in accordance with the NYS uniformed code and relevant NYS and local laws. Assurance of Equal Opportunity and non-collusion certificates required.

Please contact the Tusten Town Clerk's Office located at 210 Bridge St Narrowsburg, NY 12764 by email: [TownClerk@Tusten.org](mailto:TownClerk@Tusten.org) or phone: (845) 252 -7146 ext. 1001 for an appointment to obtain access to said locations or for further questions.

The Town Board reserves the right to reject any and all proposals and to waive any irregularities in the proposal and to re-advertise for new proposals.

Said proposals shall be mailed or delivered to the office of the Town Clerk, 210 Bridge St., P.O. Box 195, Narrowsburg, NY 12764, clearly marked "**Tusten of Town Emergency Generator BIDs**", and should be **RECEIVED no later than** 3 p.m. on October 4, 2018. Proposals will be publicly opened and read at the Regular Town Board meeting held on October 9, 2018 @ 6:30 p.m.

Dated: August 13, 2018  
By Order of the Town Board
