Dream Weavers

Being as small
as a bug...

***Just imagine, what we can imagine
...when we are dream weavers!***

Jack & Jill's **KEA Program** is an enrichment program designed to broaden your child's appreciation of the world by giving them an outlet for creative expression. **KEA** surrounds children with a learning environment to excite, stimulate, inspire, and support them as they learn to create – with words, thoughts, pictures, music, drama, and other imaginative activities.

Where is KEA held?

At Jack & Jill Preschool & Kindergarten
280 Hillcrest Road, North Cornwall Township,
Lebanon (272-3588)

When are the sessions?

KEA is held twice, weekly
October 2018 – May 2019

9:15 – 11:15 **OR** 1:00 – 3:00 sessions

Please note, our KEA sessions vary from year to year, if we are able to run the AM or PM programs. KEA sessions will run with a minimum of 5 students. Classes of 6 to 10 students are ideal!

Transportation is provided by parents.

280 Hillcrest Road, Lebanon, PA 17042
717-272-3588 www.jackandjillschool.org

Who will be teaching KEA?

Lead teachers currently are Barbara Rhine & Pam Long, with other teachers involved throughout the year, teaching and presenting special programs on specific topics, themes, or countries being explored.

What does KEA cost?

KEA tuition is \$150 a month, with a \$25 registration/student activities fee due in September.

"KEA was an incredible experience. Tuesdays and Thursdays were my daughter's favorite days of the week, as she participated in science experiments, adventures to foreign countries, research on different animals, and much, much, much more! It was great to hear her enthusiastically describe all of the hands on activities she experienced, all of which is so vital to the development of young children. Her exposure to creative arts and music concepts was a great opportunity for her to explore her creative talents. As the first grade year began, my daughter wanted to know if she would be able to go to KEA again!"

Wendy Seeger, KEA parent 2011

"The KEA program at Jack and Jill is absolutely exceptional and provided much needed enrichment for my half-day kindergartner. My daughter/son looked forward to KEA every Tuesday and Thursday and always came home with a long list of activities from the afternoon. She/he especially loved all of the great science experiments and space studies. Mrs. Moore makes learning so much fun for the students and they are receiving science and geography education that they otherwise would not have until later in elementary school. Thanks to Jack & Jill, Mrs. Moore & Mrs. Long for providing such a fantastic opportunity!"

Cori Summers, KEA parent 2011 & 2015
