

## News from the Meadow March 2018

"We believe that play is a key enabler in raising well-developed children – as important to a child as food, water, sleep and parental love."

### - *Bright Day Play*

The very cold wintery days hopefully will end, and the windy days will begin!! Blustery gusts will whirl our hats and, of course, our treasured art work as we race to and from the parking lot. The days will be growing longer and we'll all turn into weather watchers to see if our new month of March roars in like a lion and goes out like a lamb.

Our parent conferences are in full swing. This is a "special day" for your child to bring in a special snack, a special show & tell or just to show off their special friends at Meadow Flower. If you haven't signed up for a fun day in your child's classroom, please take the time to pick a day. This is also the time to share your thoughts about our program, either with the teacher or you may write it down and put it in the tuition box.

During the month of March we will have our circus show performed by Mrs. Ayres 5-day AM & 4-day PM classes. Parents of those children will receive an invitation, but you can also refer to the March Calendar.

We are hoping the weather continues to get warmer so we are able to have our traditional leprechaun hunt. The children will follow clues left by the "tricky leprechaun" hoping to catch him. We haven't been able to find him so far, but

that does not keep us from enjoying a surprise at the end of the hunt. Please watch your child's bulletin board for their hunt day and any special instructions the teacher may have.

I would like to thank everyone for spreading the word about Meadow Flower. Registration for next year was very successful. We still have openings in both enrichment classes. If you know anyone interested in attending in the fall, please have them call the school office.
