Requesting Party

means the party which has the primary obligation to respond to fire alarms and other emergencies within a municipal territorial jurisdiction and which requests assistance from the other party pursuant to this agreement.

SECTION 2: TERM OF AGREEMENT

2.1 This agreement shall be of force and effect from the effective date, and shall continue in effect until terminated by either Party in accordance with the provisions of Section 13.

2.2. The effective date shall be the date upon which the last Party executes this agreement, following ratification hereof by bylaw of the Councils of each Party.

SECTION 3: FIRE SERVICE MUTUAL AID

3.1 As and from the effective date; each Party hereto may request Fire Services from the other Party and such fire Services, if given, shall be requested and extended in accordance with and subject to the terms and conditions set forth in this agreement.

3.2 Fire Services may be requested either where the Requesting Party is unable to respond to a call within its jurisdiction or is unable to respond with sufficient manpower or equipment, in the opinion of the Requesting Party, and further to the above, Fire Services may be extended without request if the Party that holds primary responsibility for the jurisdiction in which an emergency is taking place is unable to be contacted.

3.3 Where the Requesting Party is privy to a Fire Services Agreement, the geographic area covered in the Fire Services Agreement shall for the purposes hereof be deemed to be within the jurisdiction of the Requesting Party, without enquiry by the Assisting Party. In such cases the Requesting Party shall be principally liable for the payment of the service charges of the Assisting Party whether or not the municipality receiving aid under the Fire Services Agreement disputes such charges.

SECTION 4: JURISDICTION AND COMMAND

4.1 Where the Requesting Party has been unable to respond to a call for Fire Services, and the aid of the Assisting Party is requested, the Assisting Party shall have command of the response and shall provide Fire Services in accordance with all applicable policies, operating procedures, directives, manuals, and/or practices of the Assisting Party.

4.2 Where the Requesting Party requests assistance but has repoded or intends to respond to a call, the first Party on the scene shall establish a command, and shall retain jurisdiction and command over Fire Services unless command is formally turned over to the other Party in accordance with appropriate Incident Command Procedures.

SECTION 5: EFFECT OF COMMAND

5.1 The Party which establishes or assumes command may direct the other Party in accordance with the policies, procedures, practices and methodologies adopted or followed by the commanding Party.

5.2 The Party subject to the commands of the other shall respond to such command whether or not such commands are in accordance with policies, procedures, practices and methodologies adopted or followed by the subordinate Party.

5.3 Nothing set forth in subsections 5.1 or 5.2 above shall require the subordinate Party to act or suffer or permit any action which may be contrary to law or which places the personnel or equipment of that Party unduly at risk.

SECTION 6: ASSISTANCE DISCRETIONARY

6.1 The Parties acknowledge that each has a primary obligation to provide Fire Services within the boundaries of its own municipality and/or Fire Protection District, and that the provision of aid to the Requesting Party may not be advisable, on a call by call basis, having regard to such factors as the state of available resources, the nature of the incident giving rise to the request for aid, the travelling distance involved, and the existence or apprehension of emergencies or potential emergencies within the Assisting Party's municipality. Accordingly, the Fire Chief of a Party that receives a request to assist another Party shall have the sole and unfettered discretion to decline to authorize Fire Services to the Requesting Party and may exercise such discretion without stating reasons. Further, the Assisting Party may divert personnel and equipment to another scene notwithstanding a response in aid of the Requesting Party or may withdraw from a scene, whether or not the Assisting Party is in command thereof, if in the sole discretion of the Fire Chief of the Assisting Party another alarm, emergency or location should be afforded a higher priority, and may exercise such discretion without stating reasons.

6.2 Notwithstanding anything to the contrary in this agreement, the Assisting Party shall under no circumstances be liable for any damages or injury for failing to respond to any call or for delay in responding to any call or as a result of the failure of the equipment to attend to the incident scene.

SECTION 7: PROCEDURES FOR REQUESTS

7.1 The Fire Chief of the Requesting Party shall have and is hereby granted full and sufficient authority to request Fire Services from the Assisting Party.

7.2 The Fire Chief of the Assisting Party shall have and is hereby granted full and sufficient authority to provide or, in his discretion, to decline to provide Fire Services to the Requesting Party.

7.3 The Fire Chief of the assisting Party is further authorized to dispatch such personnel and equipment as can be allocated, in his judgement, for the response, and may do so without verifying the bona fides of the call or the alarm giving rise to the request. The Parties agree to cooperate in establishing protocols for confirming the identity of the caller on behalf of the Requesting Party so as to preclude so far as possible requests for assistance being made under false pretences.

SECTION 8: PER INCIDENT CHARGE

8.1 The Assisting Party may charge a fee of \$250.00 per hour for the Truck or part thereof, plus wages of Fire Fighters @ \$10.00 per hour per man, and also, the cost of materials used (i.e. fire-fighting foam and air cylinders) to assist in offsetting the cost of provision of service.

8.2 It is acknowledged that Per Incident Charges are reviewable from time to time by the respective Council of the Parties. Fees may be amended, by bylaw, on or before April 1st, for the ensuing year, for so long as this Agreement remains in force. Per Incident Charges so approved shall be annexed to this agreement in place of the fees set for in section 8.1.

8.3 Following the provision of Fire Services the Assisting Party shall prepare and deliver to the Requesting Party an itemized invoice for payment, in accordance with rates set forth in section 8.1, and the Per Incident Charge shall constitute a debt of the Requesting Party. The Requesting Party shall remit payment of the amount so billed within 30 days of receipt of the invoice. Failing payment as required, the Requesting Party shall pay interest on the debt or such portion thereof as remains unpaid, at the prime rate of interest of the Bank of Canada plus two (2%) per cent, such interest to be calculated from the date payment is overdue to the date of payment in full.

SECTION 9: EMERGENCY MEASURES

9.1 The Parties acknowledge that each has an emergency measures plan in effect in accordance with the Saskatchewan Urban Municipalities Act. The provision of this agreement are not in lieu of plans made in respect of emergency measures nor does this agreement derogate from the duty of the Parties hereto to follow protocols and lawfully report to authorities and agencies in the case of discharges of pollutants, spills or discharges of hazardous materials, hazardous waste, disaster in the transportation of dangerous goods and incidents of the like.

10.2 Each Party hereto shall obtain and keep in force Comprehensive General Liability Insurance covering the operations of its fire department, including unlicensed vehicles, in an amount not less than \$5,000,000 per occurrence.

SECTION 11: MUTUAL RELEASES

11.1 Each Party agrees to remise and release the other Party in respect of damage to or loss of property and in respect of personal injury (including death) occurring in the course of requesting or providing assistance under this agreement, and each expressly waives any right cause of action in respect of such loss or injury as against the other Party, howsoever arising.

SECTION 12: INDEMNIFICATION

12.1 The Parties expressly covenant and agree that the Requesting Party shall, in respect of third party claims of any nature arising from the provision of Fire Services by the Assisting Party under this agreement, indemnify and hold harmless and keep indemnified and held harmless the Assisting Party from and against all losses, claims, costs, expenses, demands, actions, and causes of action (hereinafter in this Article 12 called "costs") asserted by third parties, save and except and this covenant of indemnity expressly excludes, such costs or portions of costs as are attributed to the negligence or breach of covenant herein committed by the Assisting Party, its officers, employees and/or volunteers. Notwithstanding and termination of this agreement in accordance with Article 13, the covenant of indemnity shall apply to such costs as arise in consequence of the provision of Fire service by the Assisting Party during the currency of the Agreement.
