CAMPING: The Park has two campgrounds. The modern camping area is directly across from the range and each site is equipped with table, grill, water and electrical hookups. There is a central bathhouse with showers and restrooms. The primitive camping sites are along the Tennessee River. Water is available, but not at each site (unless the river is running high). There is a central restroom facility for the area. All campsites are on a first-come basis. There will be plenty of room for all those who wish to camp. Park rangers will collect camping fees from all campers except those staying in the Group Lodge.

CABINS: The Park has several cabins that may be rented for the weekend. They sleep up to 8 friendly people or 4 casual acquaintances. Contact the park directly for availability and to make reservations.

PARK PHONE NUMBER: N.B. Forrest State Park... **731-593-6445**.

GROUP LODGE: The Forrest Escort Company has rented the Group Lodge adjacent to the range for the weekend. It is a dormitory style building with two large rooms and bunk beds. It has central heat/air, showers and complete restroom facilities. You must provide your own linen. There are 45-50 beds available for skirmishers on a first-come basis. A fee of \$15.00 per night, **minimum of 2 nights (\$30.00 non-refundable)**, will be charged. Sorry, but due to the nature of the facility the Bunkhouse will be off limits to the Ladies. **Reservations are highly recommended - contact information listed below.**

FOOD: Saturday and Sunday breakfast will be available in the Group Lodge. Lunch on Saturday will be served at the Range. **Please consult the N-SSA Bulletin Board under the Deep South Region, before you leave home, to make sure that nothing has changed as far as the food accommodations are concerned.
