

Be Prepared for Your Tax Appointment

When we meet to discuss your 2014 tax situation, you'll save time and money by coming prepared. Common items that you should provide, if applicable, include:

- Medical expenses such as prescriptions, dental and medical insurance premiums. You'll also need documentation of your health insurance coverage or Marketplace exemption.
- Estimated tax payment dates and amounts.
- Cash gifts to charity including dates, name of charity and amounts. Supporting documentation is required for all contributions regardless of the amount.
- Noncash gifts to charity including dates, name of charity, type of item with description of condition and the estimated fair market value or price paid if it was new. If the item was worth more than \$500, let me know, as other rules apply.
- Gambling wins/losses including date, location, people present, type of wager/game and amounts.
- Contributions to a Health Savings Account (HSA) and/or retirement accounts including IRA, SEP, or Roth 401(k).

Please let me know if you or your family members had any new life events or changes including marital status, address, dependents and employment. If you haven't scheduled a date to meet, please give me a call to set up an appointment.
